From Mombasa town make your way to the Likoni Ferry and as you drive off the ferry go straight ahead and you will join the main coast road in 1.1 kms. Then it's 14 kms. to the town of Kombani where you turn right.

After turning right you drive into the hills - the road is quite steep - to the town of Kwale. Drive through the town and turn right toward Kenya Wildlife HQ (signposted). The turning is 16.8 kms. from the turnoff at Kombani.

After passing Kenya Wildlife HQ continue 4.8 kms. following the signs to the Green Safari Lodge. Pumzika To is 200 meters beyond. See map below showing this sector.
